

We know our region is changing as God brings new people here.

What is our response supposed to be?

This course will help us learn and discuss some basic ways to individually be a part of the solution.

Plan to join us.

Passport to Friendship

a six-session course for believers who desire to learn how to make a friend with someone of another culture.

To be held at:

OUR CHURCH/ OUR SMALL GROUP

DATES: Mondays from this date

LOCATION: My place/ room #123

TIME: 7-8pm

"This course opened my eyes to ways I could welcome newcomers in Jesus' name."

What is this course about?

Making a friend cross-culturally no longer requires a plane ticket, because God has brought people from different cultures to our city. But many of us do not have the knowledge or courage to reach out to these new neighbors, even though we believe we should.

Topics

Week 1: Proof of Identity

We will learn who we are as Kingdom ambassadors, and how God sees our new neighbors.

Week 2: Reason for Stay

Why are we as believers on earth and in this particular time and place? We are all resident-aliens, passing through on our way "home." Our purpose is to love God, love neighbor, and make disciples.

Week 3: Customs and Immigration

We have customs we are used to, and newcomers bring their customs with them. Who are the people who have moved near us, and what customs do they have?

Week 4: Goods to Declare

As a believer you have the ultimate good news. This week we will learn a Biblical way to share it. Learn the importance of showing good news before speaking it.

Week 5: Accept Local Hospitality

Learn the value of opening your life to friendship with someone of another culture. Be willing to overcome fear of what is new by accepting invitations to join in their activities and going to their places.

Week 6: The Golden Moment

There is a moment in cross-cultural friendship which can change you for the better, and alter another person's eternal destiny. This can only happen after you have gotten off the beaten path and become a humble learner.
